Don't Agree Among Themselves.

INSPECTOR'S STATEMENT

Moore Replies to Brown and Says Latter Won't Work as Law Commands.

An appointed committee representing the plumbers of the city accepted the build accompany all invitation of the Board of Health for conference on Saturday at 2 p. m. The committee had been selected from a meeting of nine of the city's plumbers. service), to carry 1,200 feet fire the remaining four of the thirteen do- laide, £3, or Cape Town, £3 12s 6d; ing business here being absent. The complaining body representing the me commissioners reserve the right plumbers consisted of C. H. Brown, E. R. Bath and Mr. Sellars. Their grievances were many and various, and as they did not themselves agree on the saues, the matter was left in the hands | Tacoma); wheat thence to U. K., H., of the Health Board in rather a mud- A, or D., £1 15s. Prior to arrival. dled condition.

> The main contention was in reference to the character of drain pipes, Mr. Bath arguing from an economic stand that waste pipes leading from the tops of buildings need not be of more than A. or O., £2 1s 3d. Prior to arrival. standard thickness. The argument was taken up by Mr. Brown, who brought forth statistics to prove the necessity by J. J. Moore & Co. of heavier pipes, and the discussion waxed somewhat warm.

underground pipes, overground pipes, arrival, and all kinds of pipes in general, in most part showing the plumbers to be in plain division of opinion.

The Board of Health received much enlightenment as to the comparative virtues of east-iron and vitrified pipe and all that relates thereto. Upon such information they took the matter into to Santa Rosalia, by Fellx Santa lier, amounting to \$1.8. consideration, to act upon at a future

The following communication from Plumbing Inspector Moore is answering an attack made in another paper by Plumber Brown:

Editor Advertiser:-Kindly allow me pace in your paper to make a reply to a base accusation made by Mr. C. H. Brown, a plumber of this city. In regard to Mr. Brown's remark as

to my incompetency, this is the second time that I have been assailed and for what reason?-none other than to further some base purpose.

The Honorable Board of Health did but as an experienced mechanic, and I believe I can safely say that I have assembled more pipe to stand a prespressure of from fifty pounds to 200 rival. pounds per square inch than any plumber in town.

The plumber who is honest with his md payable at the office of Castle customers and is not out to bunco the less, Ltd., on October 30, 1906, DE- public does not have to come in conflict if he makes plans and submits there to tomer. If he has had an approval from HE ADJOURNED QUARTERLY Mr. Duffy, then that officer violated the

he held at the Compa- Mr. Brown is the only plumber office, Judd building, on Wednes- town who defies the law. When I called on, the 19th instant, at 10 o'clock upon him in regard to work he had for the transaction of the usual done for Mr. Ladd I told him he would and for the consideration and have to change it; his remark was, he w would be - if he would; then I told him I would lay the matter before the

board could go plumb to -I tried to reason the matter with him as I have with other plumbers, and in all cases I have been met and treated as a gentleman and officer except with Mr. Brown. He has failed to do his work according to his permit in more

than one instance. Mr. Charles Falk dal not get his work done as contracted and it is the same Lodge No. II. F. & A. M., at without an approval from the Inspectwithout an approval from the Inspect-Masonie Tempie, corner of without an approval from the Inspect-ENING, Dec. 17, at 7:30 o'clock, other plumber to complete his work. It is my duty to the Board of Health and public to ferret out such men as nbers of Pacific Lodge, Lodge of Mr. Brown and the work they do, and

> Any plumber who has a just claim against me is not afraid to bring it before the board. My past work is open for criticism and I invite any one to inspect it. Yours respectfully.

CHAS. P. MOORE. Inspector of Plumbing.

---NOTICE TO MARINERS.

The Hydrographic Office at Washington, D. C., issues the following foreeast of wind and weather in the North Pacific Ocean for December.

The sub-chart of average pressure shows an area of high barometer (pressure 30.25 inches) central in latitude 30-35 degrees north, longitude 140-150 degrees west. Around this area Company. Terms private. the winds circulate in the same direction as the hands of a watch, the wind arrows of the Pilot Chart showing the prevalence of northerly winds between the maximum and the coast; Truitt & Co., of Norfolk. northeasterly and easterly winds (the northeast trades- on the southern slope; 'southeasterly, southerly and about \$6,600. the maximum, and variable winds, the northeast trades) on the southern along the northern slope. Near the center itself calms and baffling winds daily, remaining at the equator. From the meridian of 140 now on sale at the office of degrees north, their average strength lulu.

servations; in the second, 81 per cen: West of 160 degrees east and be-tween the equator and 10 degrees West of 160 degrees east and benorth the trades will be interrupted by light southwesterly winds and fruquent calms. In Honola u the average prevalence of the trades during Dec. mber is eighteen days. In mid-ocean

Their Christmas Will Be a Merry One.

CONCERT A BIG SUCCESS

Mrs. Walter H ffmann and Wray Taylor Prove Themselves Clever Managers,

The event of Saturday was the entercoma to Sydney (owner's account), tainment at the Hawalian Opera House for the benefit of the Lepers' Merry Christmas fund, a charitable object lumber from Blakel y to Sydney, £2 that was inaugurated several years ago and has gradually increased in success. This year's entertainment was a record breaker, the receipts running far ahead of anything expected by the promoters. Everybody had a hand in its success, from the little children who sold flow-Durham, British ship, 1,879 tons (at ers up to the public who lavished their money to help swell the fund. The tickets were all sold and some were sold Elaton, Hall, British bark, 1,671 tons twice over. Thos. Wall, who took (at Tacoma); wheat thence to West charge of the ticket business, says never since he has had anything to do with the selling of seats has so much money been turned in for sweet charity. The satin programs sold for as much over lumber and merchandise to Adelaide, son live domars for one, and she sold several for a uonar apiece. Mrs. J. C. thence to Sydney, £2 12s 61; option of magens handed in boot loley domaid Melbourne or Adelaide, £3; by Henry from her sames. Mrs. P.Ston, Mrs. Porter Buyu, mers. A. B. murphy, miss ou-G. W.
